The evening phone commitment can be taken at the **Central Jersey Intergroup Office** (Group or Personal) or **home** depending on the years of sobriety. *The only requirement in order to take a commitment at the comforts of your own home is 2 years of continual sobriety.* If you have less than 2 years, then **you must** be at the intergroup office to answer the phones. If your group as a phone commitment then the group has the option to either be at the office or assign a member who has 2years of sobriety take it from there home. When taking a commitment at the office you are there from 5pm-1030pm (Note that you don't have to stay at the office for that entire duration). Our job in answering the hotline for Central Jersey Intergroup is to provide information (**ONLY**). The hotline must be turned over to the answering service no later than 5minutes before your commitment is to end, or when you have something that takes precedent. For example, nighttime commitments may be turned over earlier for work, etc.
